Absent Credit Request Form

My child _____ will be out the week of _____ . I would like to use an absent credit for that week. I understand that my account will be credited one-half of the tuition for the week.

Parent Signature: _____

Date: _____

Absent Credit Policy:

- ✓ Another option if your child will not attend during a week is to request, in advance, an absent credit, which is 50% of your regular tuition. This must be requested in advance by filling the "Absent Credit Form" available at the Front Desk.
- ✓ If your child is in attendance even one day during the week, you are responsible for full tuition.
